stand

The WaveStand is your ultimate stand for all your devices with endless possibilities!

#### TRAVEL READY

The WaveStand is extremely light and folds up or lays flat for easy transport or storage in a laptop bag, purse, backpack or pocket. The WaveStand attaches to most airline seat backs and tray tables and accommodates every cell phone and tablet size. As a BONUS, the WaveStand comes with a durable carry bag that is awesome at the pool or beach.

#### UNIVERSAL DESIGN

The WaveStand can be used at the office, in the kitchen while cooking, by the pool, at the gym, at the store, in the car, while Skyping with the family, or just soaking in your bathtub oasis. The WaveStand can be used wherever you need your tablet or cellphone.

#### ENTERTAINMENT

Wherever you may have a delay in your life, the WaveStand can take away a bit of that concern and create a positive environment around the situation. Take it to lunch, at work, back seat of a car von long trips, grocery shopping, or while relaxing at the pool.

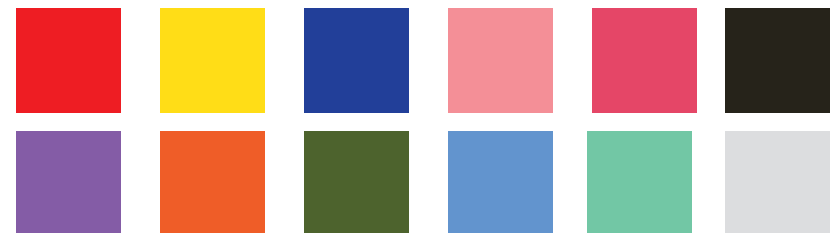

#### SAFE, DURABLE, FLEXIBLE & STRONG

Food Grade & safe for incidental chewing by children/pets. Made of a 'gripping' soft silicone with a rigid, yet flexible memory metal core The WaveStand will retain its shape without scratching or harming your mobile device. The WaveStand is waterproof & completely washable! WaveStand provides that extra grip when needed.

The uses of the WaveStand are almost **LIMITLESS**.
